Message from you local Inspector, Ed Brown

It's been a relatively incident free month in Wells and surrounding parishes at a time of year when we've previously seen an increase in anti-social behaviour. The last set of neighbourhood priorities included a focus on reducing marine crime and heating oil thefts and pleasingly I am not aware of any such crimes being reported. Those overnight patrols really do make a difference in rural communities and I want to assure you that officers are very much out and about throughout these dark nights. On 21st November I hosted a meeting for Parish Councillors in Hindringham for all the parishes across my policing district. This afforded me the opportunity to speak directly to your local representatives providing an update on local policing but also gauging ideas to improve our service. As a direct result of this, PC Pegden is opening the Police Station at Wells for an Engagement Surgery on 18th December and 15th January. We will be looking for volunteers to help us with this moving forward so if you are interested in helping out make contact with Jason, he will be delighted to hear from you.

Message from your Engagement Officer, PC Pete Davison

The weather is now taking a turn for the worse and temperatures have really dropped off with some hard overnight frosts. Please stay safe on the roads and make sure your vehicles tyres, fluid levels, lights and batteries are checked and ready for the demands that this time of the year presents. Also, please allow a little extra time in the morning to make sure your windscreens are fully defrosted and clear prior to starting any journey and be prepared for ice on the roads. Please keep safe and remember not to leave any vehicle unattended while the engine is running.

I wish you all a safe and happy Christmas and best wishes for the New Year.

Pete.
