Message from you local Inspector, Ed Brown

I hope everyone had a peaceful New Year. Our officers were deployed throughout the festive season continuing to provide a 24 hour emergency response service as well as demonstrating the best of community policing. We want to be visible and accessible as a local policing service and it was great to see PC Pegden opening up the police station at Wells to the public for engagement surgeries as well as being able to conduct foot patrols around the town. The police boat has been deployed on several occasions utilising the support of local volunteers. We are running Special Constabulary recruitment events over the next few months so if you are interested in helping out locally then this could be an opportunity for you. In a rural area it is always important to be vigilant and to report activity which doesn't feel right.

Message from your Engagement Officer, PC Pete Davison

Our drones have become a vital resource to the Constabulary, and since their introduction in 2017 have been involved in searching, locating and saving the lives of a significant number of people. With the introduction of our latest drones, we now have the capability to deploy in all weather conditions, day or night. The drone allows us to search large areas, quickly and efficiently and environments that would ordinarily be too dangerous, such as rivers, wetlands, or demolition sites. Here in North Norfolk two of our Beat Managers are now being trained as Drone Pilots this will also allow us to deploy the drones to assist with local policing priorities such as Marine Crime.

Pete.
