Message from you local Inspector, Ed Brown

I would like to take the opportunity to remind any boat owners about our outboard engine covers following some thefts around Wells Quay. These work by removing your cowling and placing one of our bespoke covers over the engine, making it less attractive to thieves. If you would like more information on where these can be purchased please contact adminbroadsbeat@norfolk.pnn.police.uk.

We have also had reports of hare coursing in the area and ask that you remain vigilant to any suspicious activity and report it to us as soon as possible by ringing 101 or 999 if an emergency.

Message from your Engagement Officer, PC Pete Davison

I am often asked "When should I call 999"? Hopefully the following advice will help.

You should always call 999 if: you or someone else is in immediate danger; if the crime is in progress; or, you need police help immediately.

This could include: Someone using violence or threatening violence; If there is a danger to life; Serious damage is being or could be caused to a property; A potential criminal has been disturbed or stopped; A road traffic accident where someone is hurt or a danger is being caused to other road users.

If the matter is not an emergency, please dial 101 or report through our website using one of our online forms > www.norfolk.police.uk/contact-us/report-it

Pete.
